TECH SKILLS

- Artificial Intelligence
- Data Science
- Computer Vision
- Natural Language Processing
- Kernel Development
- Internet of Things
- Big Data Analytics
- Deep Learning

PROGRAMMING

- Python
- Java
- C / C++
- Raspberry Pi

SPECIALIZATION

- Artificial Intelligence allied technologies
- Data Science allied technologies
- Mobile App Development
- IoT Application Design
- Machine Learning

PROFILE

Senior Data Scientist, Trainer and Author with 20 years of experience specializing in Artificial Intelligence and Data Science, delivering expert-level solutions and training to empower teams and drive business innovation. Proven track record of mentoring professionals and leading impactful AI/DS projects.

WORK EXPERIENCE

MITU Research, Pune	2016 - PRESENT
Sr. Data Scientist	
MITU Skillologies, Pune	2016 - PRESENT
Researcher and Trainer	

Total Experience: 20 years

EDUCATION

Ph.D (Pursuing)	2022 - Onwards
VIT Pune Savitribai Phule Pune University	
M.E. Computer Science & Engineering	2016
MIT Dr. B.A.M. University, Chh. Sambhajinagar	

TECHNICAL PAPERS

International Journal	10
International Conference	17

TRAINING PROGRAMS

Technical Training Conducted	345
Expert / Guest Lectures Delivered	180
Training Programs Attended	50

PROJECTS

Projects undertaken	39
Under-Graduate Projects Guided	46

OTHERS
